Description

Looking for a large lightsculpture, then this piece can be an option.
Especially made for stairwell Lighting.

This item is made on order only, diameter of 50 cm and lenght can be up to 10 meters.

If you want bigger then please ask us.

For the lighting you can choose between the white 2.700 K and or the RGB to get nice color effects.

Every kind of wood can be choosen, the lighter the wood the more transparant it will be.

The rotation can be choosen during setup.

Design by Mike Vanbelleghem / Passion 4 Wood
